*Attorneys for Plaintiffs/Counterclaim-Defendants  
Aristocrat Technologies, Inc. and  
Aristocrat Technologies Australia Pty Ltd.*

**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

ARISTOCRAT TECHNOLOGIES, INC. and  
ARISTOCRAT TECHNOLOGIES  
AUSTRALIA PTY LTD.,

Plaintiffs/Counterclaim-Defendants,

v.

LIGHT & WONDER, INC., LNW GAMING,  
INC., and SCIPLAY CORPORATION,

Defendants/Counterclaim-Plaintiffs.

Civil Case No.: 2:24-cv-00382-GMN-MDC

**STIPULATED ORDER REGARDING  
PRELIMINARY INJUNCTION**

1 Plaintiffs Aristocrat Technologies, Inc. and Aristocrat Technologies Australia Pty Ltd.  
2 (together, “Aristocrat”) and Defendants Light & Wonder, Inc., LNW Gaming, Inc., and SciPlay  
3 Corporation (together, “L&W”), respectfully submit this stipulation and agreement, subject to the  
4 Court’s approval, regarding the preliminary injunction entered in this case, ECF Nos. 125, 136  
5 (together, the “PI Order”).

6 In connection with this stipulation, the parties state that:

7 1. Since L&W submitted its certifications of compliance with the PI Order on October  
8 23, 2024, and November 6, 2024, ECF Nos. 154, 155, L&W has provided discovery that Aristocrat  
9 contends revealed evidence of misappropriation in connection with L&W games other than  
10 Dragon Train.

11 2. In a filing on December 12, 2024, L&W acknowledged that documents related to  
12 one of its unreleased games “appeared to contain weight values present in Aristocrat’s game math  
13 for Dragon Link/Lightning Link.” ECF No. 174 at 11.

14 3. On March 7, 2025, L&W produced additional game development documents,  
15 which L&W informed Aristocrat had only recently been discovered. On March 14, 2025,  
16 Aristocrat sent L&W a letter asserting that game math spreadsheets produced by L&W showed  
17 the use of Aristocrat trade secrets in connection with Jewel of the Dragon, a game that L&W  
18 released in 2022. Aristocrat’s contentions are based in part on the presence of Dragon Link and/or  
19 Lightning Link weight table values in the Jewel of the Dragon spreadsheets. L&W disputes  
20 Aristocrat’s contention that the weight table values constitute Aristocrat trade secrets.

21 4. On March 21, 2025, L&W informed Aristocrat that L&W would agree to treat  
22 Jewel of the Dragon as subject to the Court’s PI Order, on a voluntary basis.

23 5. On March 28, 2025, L&W produced Aristocrat PAR sheets relating to Lightning  
24 Link that were in the possession of a L&W game designer who worked on Jewel of the Dragon.

25 6. The documents described above were not included in the accountings that L&W  
26 previously provided pursuant to the PI Order on or before November 6, 2024.

ships, by July 31, 2025, then L&W shall include in its certificate of compliance an explanation of the steps it is taking to facilitate the removal of those games as expeditiously as possible and the expected timeframe for completion.

4. The \$1 million bond previously posted by Aristocrat pursuant to the PI Order, ECF No. 130, shall also provide security in the event that L&W is found to have been wrongfully enjoined with respect to Jewel of the Dragon. *See* ECF No. 125 at 19–21.

**IT IS SO ORDERED *nunc pro tunc*.**
